THE WISTAR INSTITUTE BIBLIOGRAPHIC SERVICE

AUTHORS' ABSTRACTS

insure accuracy, advance information, and a saving of time and costs. Since the beginning of The Wistar Institute Bibliographic Service in 1917, each contributor to the journals included in this service has supplied an abstract of his own manuscript. This brief summary is printed and mailed without the delay necessary to the publishing of the complete article. Subscribers to the service thus receive advance information from those best qualified to give it.

ADVANCE ABSTRACT SHEETS

bearing ten or more abstracts without bibliographic references, are sent for the present to members of the American Association of Anatomists, to members of the American Society of Zoologists and to Members of the American Institute of Nutrition, without cost, and sold to others at \$3.00 per annum for all abstract sheets issued. This is a convenient means of selecting such articles as may be desired in reprint form. Prices of reprints are given on each Advance Abstract Sheet.

BIBLIOGRAPHIC SERVICE CARDS

bearing authors' abstracts with complete bibliographic reference for all articles appearing in The Wistar Institute journals and those co-operating, \$5.00 per year.

Abstract cards may be obtained from the beginning of the series, June 1, 1917.

Each abstract card is issued to subscribers before the complete paper appears in a journal.

ABSTRACTS IN BOOK FORM

Abstracts with authors' and analytical subject indices are brought together periodically in book form. Volumes 1 to 6 covering the abstracts issued from June 1, 1917, to December 31, 1931, \$5.00 each. Liberal discount to subscribers to the Bibliographic Service Cards.
